The screenshot shows the SafeZone Admin dashboard. At the top, there are four summary cards: 'Active Alerts' (1), 'Resolved Today' (0), 'Total Users' (1), and 'Avg Response Time' (2.5m). Below these are navigation tabs: 'Active Alerts (1)', 'Live Map', and 'History'. A detailed alert card for 'John Doe' is displayed, showing it's an 'EMERGENCY Alert' with coordinates '12.9077, 77.5659' and timestamp '11/27/2025, 3:00:40 PM'. It has three buttons: 'Respond' (blue), 'Resolve' (green), and 'Details' (white). The bottom right corner features a 'Made by MGX' logo.
